JULY 2018

Dear families,

Welcome to summer at Greendale!

In July and August, Head Start is closed so WFP is the only programming in the building, which allows us to offer some extra opportunities.

Weather permitting, we will begin outside in the playground for the first half hour (approximately) before moving indoors to the playroom. Please dress your children appropriately for being outdoors and possible sand and water play.

At the end of playgroup, many days we will be moving to the room next door to our playroom that has been set up as a gym for some additional gross motor time.

During the summer months, you are welcome to park in the parking lot and use the bathroom on the third floor, as we are not sharing space. (At the end of August, we need to revert back to street parking and adult bathrooms downstairs.)

We are participating as a group in the Worcester Public Library's summer reading program, but please feel free to sign your family up as well. Books read during playgroup absolutely count!!

We will also be sharing harvest from the garden beds. Please let us know if you'd like to help tend the beds. Currently there are tomatoes, kale, swiss chard, eggplant, sage, cauliflower and watermelon growing. Can you find them
