

Moving Towards Proficiency

A Professional Learning Opportunity Dedicated to the needs of the World Language Classroom

Teachers will participate in a day long workshop focusing on developing our students' communication skills in the target language facilitated by [Joshua Cabral](#) from the Massachusetts Foreign Language Association.

When: Friday, October 6 from 7:30-2

Where: South High School World Language Pod

Who: All middle and high school World Language teachers

Teachers will leave with valuable tools and strategies to enhance their lessons and the newest approaches to promoting student discourse in the target language.

Teachers must seek authorization from their principals in order to attend and sign in through Teachpoint. Teachers will have the opportunity to gain 10 content specific PDPs.
